

RULES OF THE #JOVENESXJOVENES TIK TOK CONTEST FOR HUMAN RIGHTS

WHO ORGANIZES IT AND WHY?

We are [Helsinki España- Dimensión Humana](#), a human rights organization (NGO) created in 1992 to promote compliance with the principles relating to human rights and fundamental freedoms of the Helsinki Final Act of the Organization for Security and Cooperation in Europe (OSCE).

With our Youth for Youth ([Jóvenes para Jóvenes](#)) project, we train university youth so that they can raise awareness of human rights and the Sustainable Development Goals (SDGs) through workshops in schools.

In the framework of this project and to celebrate its twentieth edition, we launched #JOVENESXJOVENES TIK TOK FOR HUMAN RIGHTS, inviting participants, children and university youth to fill the social media with content for #humanrights and #SDO and thus commemorate December 10, International Human Rights Day.

Helsinki España- Dimensión Humana with CIF G80540552 and registered office at C/ Santa cruz de Marcenado,11, 1º B 28015 Madrid - 91 533 54 55.

WHAT DO YOU HAVE TO SEND TO PARTICIPATE?

Record a Tik Tok/video of between 10 and 60 seconds about human rights or SDGs: be original! You can focus on a specific topic (gender, environment, migration, hate crimes, mental health, functional diversity, etc) or all of them together. Make a dance, a sketch, reproduce a scene you have lived, tell a story... the format doesn't matter.

There can be as many participants as you want starred in the video. If your video is the winner, we will upload it to our social media and its creator will be awarded. You can send as many videos as many as you want. The videos will be selected by a jury of three people from the organization and the following will be organization and will be valued: the message conveyed, creativity and execution.

WARNING: In order to participate you must fill in the following form:

- MINORS (The legal representative of the minor or minors must authorize the participation of the minor in the contest and consent the processing of their data and the transfer of image rights):
