Dear Sir/Madam,

The Civil-Military Coordination Service (CMCS) is pleased to invite you to our upcoming United Nations Humanitarian Civil-Military Coordination (UN-CMCoord) training course. The residential training will be held from 30 September to 5 October 2024 in Alicante, Spain, with 20 participants. The Spanish Agency for International Development Cooperation and for Humanitarian Assistance (AECID), the Spanish Ministry of Defense, and Helsinki España Dimensión Humana are generously covering the training venue, board, and accommodation for the duration of the course. We kindly ask your organization to handle travel, including visa requirements, and applicable allowances.

CMCS, as part of OCHA's Coordination Division, will lead the event. CMCS will bring together four interdependent emergency communities: a) OCHA and UN agencies; b) surge staff from Stand-by Partners, UNDAC and INSARAG; c) United Nations Member States, including domestic and international militaries; and d) non-governmental humanitarian organizations. We encourage mid-level managers to apply.

The objective of the training course is to: a) define the concept of humanitarian civil-military coordination (UN-CMCoord), including the five sets of UN-CMCoord guidance, b) assess the UN-CMCoord environment in operational contexts, and c) play a key role in supporting UN-CMCoord as it relates to humanitarian access and protection outcomes.

Please ensure that you have discussed participation with your supervisor and complete the online application form **before 20 August 2024, 11.59 pm GMT** at: https://vosocc.unocha.org/Reg/srvy572_UN-CMCoord_30_09.html

Successful applicants will be notified by 27 August.

For further information or support with the application process, please contact our training support at reiterer@un.org.

Yours sincerely,
