5 REASONS WHY REACT IS **ESSENTIAL FOR WORKING IN INTERNATIONAL MISSIONS**

1

GAIN A DEEP UNDERSTANDING OF CONFLICTS

REACT gives you a comprehensive view of **modern conflicts**, including threats, protocols, international law, and peace processes. You gain practical knowledge to **analyze, respond, and contribute effectively** in complex mission contexts.

2

SAFETY & SELF-PROTECTION IN THE FIELD

Learn how to protect yourself and others in **high-risk areas**. REACT covers **security, self-protection, and field protocols** so you can act confidently and safely in conflict zones.

3

MULTICULTURAL LEARNING & PEER-TO-PEER EXCHANGE

Train alongside participants from different countries and professional backgrounds, reflecting the **reality of international missions**. Learn from your peers, share experiences, and build networks that will support your professional journey.

4

BOOST YOUR CAREER!

REACT is recognized by **international organizations and NGOs**, providing a professional edge for anyone pursuing a career in **peacekeeping, humanitarian aid, or conflict resolution**.

5

LEARN FROM MISSION EXPERTS

Gain first-hand insights from professionals who have worked in missions with the **UN, NGOs**, and other **international organizations**. Their experience gives you practical knowledge you can apply immediately.

FAST, APPLIED LEARNING IN 5 WEEKS

**In just 5 weeks, REACT equips you
with practical, mission-ready
skills, the most efficient way to
gain in-depth knowledge before
deploying in the field.**
